

Liten?
 Jeg?
 Langt ifra
 Jeg er akkurat stor nok.
 Fyller meg selv helt
 På langs og på tvers
 Fra øverst til nederst
 Er du større enn deg selv kanskje?

Open Kindergarten in Tananger church

Follow us on facebook "Knøttetreffen - åpen barnehage i Tananger kirke"

OPENING HOURS

Monday 9.30 - 13.00 and Thursday 9.30-12.30

What is an open kindergarten?

An open kindergarten is for families with children aged 1-6 to come and play. There is no need to apply for a place, you can just come along with your parent or carer during our opening hours. We offer a social and educational environment where you can meet families who live locally, and your little one can meet and play with other children and their parent/carer.

On Mondays there are two song groups, toddler song at 10.30am in the kindergarten's café area and baby song at 11.30am in the church. The kindergarten meets in the café area during opening hours. Also, on Thursday's there is toddler song at 10.30am. We sing well-known Norwegian children's songs, new songs, rhymes, we dance and have fun. We are open to suggestions for new songs that you sing at home for your child and which we might include.

Thursdays have a variety of themes, sometimes we are in the church's gym hall to play in the ball-pool, on the slide etc. on other Thursdays we might do a craft activity and sometimes we bake fresh bread rolls which we share for lunch at 11.00 am. The plan is on our Facebook page, or you can have a printed copy of it from us. 😊
